

Coconut Breeze Villas – BVI entry information

Before you arrive

- Take a PCR test within five days of arrival.
- Ensure your medical insurance includes coverage for Covid-19.
- Visit the BVI Gateway Online Portal to upload your test results and receive your BVI Gateway Traveler Authorization Certificate.

Upon arrival

- At the Welcome Center at your port of entry, officials will perform health screening including temperature check and a PCR test.
- You will be asked to download a contact tracing app on your smartphone and will be given a tracking bracelet to wear.
- You will then take “approved” transportation to lovely Cane Garden Bay and Coconut Breeze Villas

At Coconut Breeze Villas

- Enjoy your villa; rest, read, play cards, sit on your private patio, cook, order delivery from your favorite restaurants.
- We will provide information in advance to order any groceries you might want and take care of meeting the delivery driver and putting away all your food so it's ready upon your arrival.

On day 4

- The final PCR-test that returns a negative result will allow you to enjoy all that BVI has to offer.

Other useful information

- **Costs on arrival:** \$175 per person – includes both PCR tests and smartphone app/tracking bracelet.
- Children under 5 years will not be tested.
